

resolution provides that the first portion of the divided question shall be considered as adopted. The resolution provides that if any remaining portion of the divided question fails, then the House shall be considered to have made no disposition of the Senate amendment.

Section 2 of the resolution provides for the consideration of the Senate amendments to H.R. 644. The resolution makes in order a single motion offered by the chair of the Committee on Ways and Means or his designee that the House: (1) concur in the Senate amendment to the title; and (2) concur in the Senate amendment to the text with the amendment printed in part A of this report modified by the amendment printed in part B of this report. The resolution waives all points of order against consideration of the motion and provides that the motion is not subject to a demand for division of the question. The resolution provides that the Senate amendments and the motion shall be considered as read. The resolution provides one hour of debate on the motion equally divided and controlled by the chair and ranking minority member of the Committee on Ways and Means. The resolution provides that if the motion is adopted, the chair of the Committee on Ways and Means or his designee is then authorized to move that the House insist on its amendment to the Senate amendment to the text of H.R. 644 and request a conference with the Senate thereon.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the motion related to H.R. 1314 includes a waiver of section 306 of the Congressional Budget Act of 1974, which prohibits consideration of legislation within the jurisdiction of the Committee on the Budget unless referred to or reported by the Budget Committee.

Although the resolution waives all points of order against consideration of the motion related to H.R. 644, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
